**Emergency Planning Survey**

Dear Town/Parish Clerk and all councillors

I am writing from the Anglian (Eastern) RFCC to ask your council to complete our questionnaire on flood risk and emergency planning.

2. If there is a flood risk are there any plans or works in progress to reduce or mitigate that risk?
3. Have you as a parish or town council produced a local emergency plan to respond to the risk of flooding or other emergency?
4. Has the emergency plan been reviewed as a result of the coronavirus pandemic?
5. Has the plan been shared with your district or county councils?
6. In the last 3 years has your town or parish had any contact or engagement with any flood risk management authorities (Environment Agency, local authority, internal drainage boards or water and sewage utility companies)?
